## Strengths and Talents

- One of my strengths is collaboration. If I have an assignment where we have to work together, we usually divide the tasks so that everyone has the same amount to do, and the assignment is completed faster.
- I also listen to what others have to say and I process that during the collaboration.

## Experience

- Stock filler at Supermarket (Plus 't Iam) | Worked since 2-11-2016 until 02-05-2017
- Employee at grandcruwijnen.nl | Working from 1-2-2020 to present
- Employee in the fruit and vegetable department at Makro Dordrecht | Operating from 8/17/2020 to February 11, 2021

## Education

- High school | Mavo - graduated
- Secondary vocational education | MBO training in application and media development - Current study

## Hobbies

- Climbing | on the climbing wall or outside in countries such as Belgium and Germany.
- Snowboarding | during the holidays I often go with my family to our apartment in Switzerland, where I always go snowboarding.
- Going out or doing fun things with my group of friends
